Canada

Join thousands of volunteers across Canada!

You don't need to be a tax expert to help people. As a volunteer at a free tax clinic, you will:

- ▶ complete tax returns for adults 65 years and older, newcomers, students, and others
- ▶ help tax filers get important benefits and credits
- ▶ be provided with volunteer training, free tax software, and a dedicated help line

Volunteer at a free tax clinic

As a volunteer, you can choose to complete taxes by video conference, by phone, in person, or by using a drop-off and pick-up option.
